

## Sponsor Benefits

### Help Accelerate Innovation in Higher Education -- Become a WCET Sponsor

Since 1989, WCET has been the national leader in the practice, policy, and advocacy of technology-enhanced learning in higher education. Our growing membership includes nearly 400 institutions, state, and system-wide higher education agencies, and corporations in all U.S. states and many Canadian provinces. WCET member institutions actively serve more than 4 million college students.

### Be a Part of Transforming Higher Education

With state funding decisions and academic policies focusing on institutional performance, accrediting bodies keying in on learning outcomes, and employers demanding a skilled workforce, technology-enhanced learning is increasingly important.

WCET connects you with leaders, decision-makers, and early adopters in our community of technology-enhanced teaching and learning in higher education. Sponsorship provides opportunities to support the WCET community, while helping you achieve your objectives, providing valuable visibility for your brand, and producing a significant return on your investment.

### Choose Your Sponsorship Level

WCET Sponsors underwrite WCET's many activities that help members connect, learn, and advance educational technology excellence. Sponsors receive generous benefits for a full 12 months including opportunities to present during WCET events, direct contact with members, attendee lists, complimentary registrations, logo placement on marketing messages, and much more. Opportunities are available for all budgets. Visit [wcet.wiche.edu/sponsorship](http://wcet.wiche.edu/sponsorship) for complete details.

### Become a WCET Sponsor Today

Current WCET members receive a 10 percent discount on sponsorship. If you are not already a member, we invite you to join today and maximize your benefits as part of WCET.

Check out information on sponsoring or applying for membership at:
