What is WCET?

WCET is the leader in the practice, policy, and advocacy of digital learning in higher education. WCET is a member-driven nonprofit which brings together systems, colleges, universities, higher education organizations, and companies to collectively advance learner access and success through postsecondary digital learning for a more equitable world.

WCET helps member organizations improve digital learning for all learners by focusing on:

- **Community Engagement**
WCET members cooperatively share solutions and lessons learned in implementing digital learning innovations.
- **Equity for All**
WCET seeks to improve educational equity by increasing access to high-quality digital learning educational options.
- **Policy Analysis**
WCET analyzes and interprets higher education policy for institutions supporting digital learning instruction and use.
- **Showcasing Quality Practice**
WCET shares promising and evidence-based practices for institutions supporting digital learning instruction and use.

Who should join WCET?
