

*WCET envisions a future where high-quality digital learning fosters success for educators and learners.*

## Become part of the WCET Community

### What is WCET?

WCET, the WICHE Cooperative for Educational Technology, is the leader in the practice, policy, and advocacy of digital learning in higher education. WCET is a member-driven nonprofit that brings together systems, colleges, universities, higher education organizations, and companies to collectively advance learner access and success through postsecondary digital learning for a more equitable world.

WCET helps member organizations improve digital learning for all learners by focusing on:

- **Community**  
WCET members cooperatively share solutions and lessons learned in implementing digital learning innovations.
- **Policy**  
WCET analyzes and interprets higher education policy for institutions supporting digital learning instruction and use.
- **Practice**  
WCET shares promising and evidence-based practices for institutions supporting digital learning instruction and use.

### WCET helps your organization thrive in a rapidly changing world.

By joining WCET, your institution or organization gains access to several key advantages:

- A deep knowledge of policy and dedication to providing timely interpretation of regulations and **policies** affecting digital learning in higher education,
- A focus on showcasing digital learning **practices** that improve the lives of learners, faculty, and staff, and lead to improved success for all students,
- A dedicated **community** of peers committed to having a real impact in higher education.

### Everyone in your organization is entitled to benefits.

Maximize your investment by joining WCET and the WCET State Authorization Network. WCET members receive a significant discount on SAN membership dues.
