

WCET + SAN Benefits

WCET is the leader in the **practice, policy, & advocacy of digital learning in higher education**, focused on the development and administration of high-quality learning programs at member institutions.

SAN is the leader in providing guidance and support for navigating state and federal regulatory compliance for out-of-state activities of postsecondary institutions.

Together, WCET and SAN connect the people who provide and support high-quality digital learning in postsecondary education.

Members save time and money and boost their knowledge and skills about digital learning through:

- Inclusion in exclusive networks of peers and experts,
- Updates on the latest news and policy alerts,
- Member-only professional development opportunities.
- Member-only resources, toolkits, policy alerts, and more.

Leveraging the WCET and SAN networks is a cost-effective way to gain experience and guidance without hiring multiple full-time employees.

Who benefits from membership: Anyone involved in digital learning at postsecondary institutions or edtech companies. Compliance officers, online learning officers, Provosts, instructional designers, faculty, and academic affairs. **View the membership dues for [WCET](#) and [SAN](#).**
